2. The details may be seen at the Executive Engineer's Office at Bhadravati between the hours of 11 A.M. and 5 P.M. on all the working days.

3. Tenders should be submitted showing the rates at which the different items specified will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or in Government Promisory Notes, as earnest money and be superscribed "Tenders for supplying Iron Fittings and Glass panes to the Bungalows in the New Town, Bhadravati." In default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competetor will be required to execute the usual contract bond. In default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competetor whose tender has been accepted will be posted on the Notice Board of the Executive Engineer's Office in due course.

8. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders, the earnest money on the rejected tenders will be returned.

10. The parties must be prepared to supply only one item, more than one item or all the items completely. Each competetor must send in a sample for each item. The samples of rejected tenders will be retained and paid at the price quoted by them if it is reasonable.

MISCELLANEOUS.

Notice.

The attention of the public is invited to the advertisement in detail published in the *Mysore Gazette* dated the 7th July 1921, calling for applications for canvassing agencies for the sale of the *Wares* now in stock in the Central Industrial Workshops, Bangalore, and also for travelling representatives to book orders for its work.

C. S. BALASUNDARAM IYER,
Offg. Director.

MECHANICAL ENGINEERING SCHOOL, BANGALORE.

Notification D. 12, *dated* 21*st July* 1921.

1. Notice is hereby given that sealed tenders will be received by the Superintendent, Mechanical Engineering School, Bangalore, till (2nd August 1921) for the supply of the undermentioned articles required for the use of the workshop attached to the school during the official year 1921-22.

2. An approximate estimate of the quantities required is given against each item in the list. (Quantities are not guaranteed.)

3. Tenders should be submitted in the following form showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100 in currency notes, as earnest money, and be superscribed "Tenders for the supply of materials for the use of the workshops at the Mechanical Engineering School, Bangalore, for the period from 1st August 1921 to 30th June 1922."

5. The final acceptance of the complete tender or any portion thereof will rest with the Inspector-General of Education in Mysore, who does not bind himself to accept the lowest or any other tender or assign any reason whatsoever for the rejection of any tender.

6. Within a week of the acceptance of the tender, the successful competitor will be required to execute a contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the Mechanical Engineering School, Bangalore. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of any of the tenders, the earnest money on the rejected tenders will be returned.

9. The successful competitor shall guarantee sufficient stock of the materials enumerated in the list and comply with all the indents made on him within three days of receipt of order sent to him during the said period of agreement.

10. The rate tendered for each item shall include the cost of delivery at the stores of the Mechanical Engineering School and shall be binding on the supplier, for the above period.

11. Materials supplied, if found not up to the standard, in quantity or specification will be rejected and the supplier shall remove and replace the same with such materials as would satisfy the specification.

12. Clear specifications for the various items must accompany the tender.

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the material is purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

14. All the materials received will be weighed again in the school and the weights thus arrived at should be accepted as final.

Superintendent.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS AND HILL STATIONS, LAL-BAGH, BANGALORE.

Dated the 1921.

1. Notice is hereby given that sealed tenders will be received at the Office of the Superintendent, Government Gardens and Hill Stations, Lal-Bagh, Bangalore, up to 6th August 1921, for effecting improvements to Buildings and grounds on the Nandi Hill Station. An approximate estimate of quantities is given below. These quantities are not guaranteed.

2. The tender should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

3. Each tender must be accompanied by a deposit of Rs. 100 in cash or currency Notes as earnest money and be superscribed "Tender for improvements to Buildings and grounds on the Nandi Hill Station," in default of which, tenders will be rejected.

4 The final acceptance of any tender will rest with the Superintendent, Government Gardens and Hill Stations in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted will be communicated to him in due course.
